

## Tuition Policy 2024

### Weekly Requirements

- Students must arrive on time for their lessons at their scheduled appointment; missed lesson time due to late arrival is forfeited.
- Students must be prepared with all appropriate books and materials at each lesson.
- Students must have spent adequate time preparing for their lesson during each week, including the practicing of practical work on a suitable instrument, and the completion of any assigned written work. Parent involvement in home practice is highly recommended.
- Parent/carer attendance to lessons is recommended for children under the age of 8 years. Parents/carers of children over the age of 8 years are invited to attend on occasion if they desire.

### Absences and Illness

- Tuition is for a whole term and missed lessons for any reason are forfeit and cannot be recovered.
- Students with any symptoms of illness such as cough, runny nose, fever, vomiting (within 24hours) must not attend their lesson in-person. Video link lessons may be provided as a suitable alternative if the student is well enough.
- Impending absences should be communicated to Michela via phone-call, SMS text message, in-person, or email as soon as possible.
- 'Lesson swaps' and changes to lesson times may be negotiated within the term but are not guaranteed. Advanced notice must be given in order to be considered.
- Any lesson cancelled by Michela Pinner will be arranged for an alternative time or discounted from the subsequent term's account.

### Public Holidays and Student-free Days

- Lessons falling on Public Holidays and long weekends are cancelled and will be deducted from the term's account.
- Lessons being held at the studio are *not* cancelled for student-free days.
- Lessons during school time are cancelled for student-free days and will be deducted from the term's account.
- Lessons during school time are *not* cancelled for school events (e.g. excursions, athletics/swimming carnival, assemblies, learn-to-swim programs, etc.). Parents should contact Michela as soon as possible if a clash with an event or activity is foreseen so that a lesson swap can be organised.

### Discontinuation

- If determined that a student will cease lessons at any time during the year, this should be communicated directly to Michela Pinner as soon as possible.
- A student may only cease their tuition at the end of a term; lessons will not be refunded.

*Tuition may be terminated if any of these policy requirements are not met to a satisfactory level.*
